email Fveys@subtilt.be

History

- 1997 – 1998 Sound engineer in “Theater Jean Vilar” (B) where I also made the sound designs for different productions
- 1998 – 1999 Technician by CCS. Cabling company
- 1999 – 2006 Delta Audio Belgium employee, production manager, sound engineer
- 2001 – 2007 Master audio technician in a city theater
- 2003 - ... Beginning as freelance
- 2007 – 2008 Partnership with a new audio company
- 2008 – 2009 Technical support and in charge of demos for the Digico SD8 in France
- 2010 – 2011 Official dealer for *Meyer Sound®* for Belgium and Luxembourg
- 2011 - ... Carry on with my own company as technical adviser and sound engineering

At the same time, I am still working in the audio sector as sys tech and FOH sound engineer.
